Health and Safety Policy

Spatial Consultants Ltd is committed to providing a safe working and learning environment for all personnel, candidates and any related third parties. Responsibility for health and safety ultimately lies with the Managing Director, however, all candidates and personnel have a legal responsibility, as stated under Section 7 of the Health and Safety at Work Act 1974, to do everything practicable to prevent an accident or injury to themselves and to fellow candidates and/or personnel.

The Health and Safety Policy of the company is to:-

- provide and maintain a healthy working environment at all times
- ensure adequate control of health and safety risks arising from work activities, this includes communication with clients and any use of sub-contractors
- provide all required instruction, training, supervision and other relevant health and safety information to employees
- ensure that all employees are competent in the work activities they are engaged in
- continue to consult with and update employees on all Health and Safety issues
- provide, as a minimum, 'generic' risk assessments for all common tasks engaged in by employees where risk is involved and potential danger has been identified
- encourage all employees to take reasonable care for the health and safety of him/herself, fellow employees and all persons accordingly and to report any hazard which cannot be controlled personally to appropriate personnel.
